## Chapter 1 by Story Wars

Once upon a time..... Nope, this happened just a few months ago, not thousands of years ago in a foreign land.

So, my name is..... nope, my name is not important, because I am just a rat. A “dirty, full of diseases” rat. So, my lovely neighbors on the other side of the wall that always try to kill me every second of every day were almost killed themselves a few months ago. These 4 princes were ignorant and full of themselves. So when their father sent them on a quest to slay the dragon of the black lands as proof of their manliness, they took it as a threat to no longer have the power of the kingdom bestowed upon them. All the king yearned was power over everyone that lived on the island of sorrows. They went on their mission to kill the dragon of these treasured lands. As they reached the border of the black lands the dragon appeared before them. He roared and everything that was in a 30 mile radius caught fire. 2 of the brothers were drowned in flames and screamed in agony. While the others were blown to the other side of the land. As soon as they landed, angry wolves growled in the darkness. The dragon knew it was his duty to save anyone who entered the black lands, but the other brothers would perish in his flames. He saved the 2 and let them bathe in the river while he saved the youngest from the empty stomachs of a dozen wolves. He fought and threw them in the pit of the forgotten. He flung the 4 brothers onto his back, each holding onto one of his spikes on his burning back. He flew to the castle of the ignorant brothers and dropped them before their furious father. He said, “If you couldn’t kill a dragon under my rule how could you rule a kingdom? I might as well let the dragon rule after my reign of terror.” He then told the dragon to do what were his true intentions
